Editorial Policy

This report presents a brief summary of material information particularly relevant to the Daifuku Group's value creation in line with international frameworks, including IIRC^{*1} and GRI^{*2} standards. See the Company website for more detailed information: www.daifuku.com

The report covers 68 companies, including the parent company, 66 consolidated subsidiaries, and one equity-method affiliate (as of March 31, 2021).

*1 IIRC: International Integrated Reporting Council

*2 GRI: Global Reporting Initiative

Period covered Fiscal 2020 (April 2020 - March 2021)

Whenever it is appropriate to include historical background information and data or recent examples, reporting may include matters outside this time period.
